Mater Dei High School

New Monmouth, N.J.

Volume X111

From the Class of '77

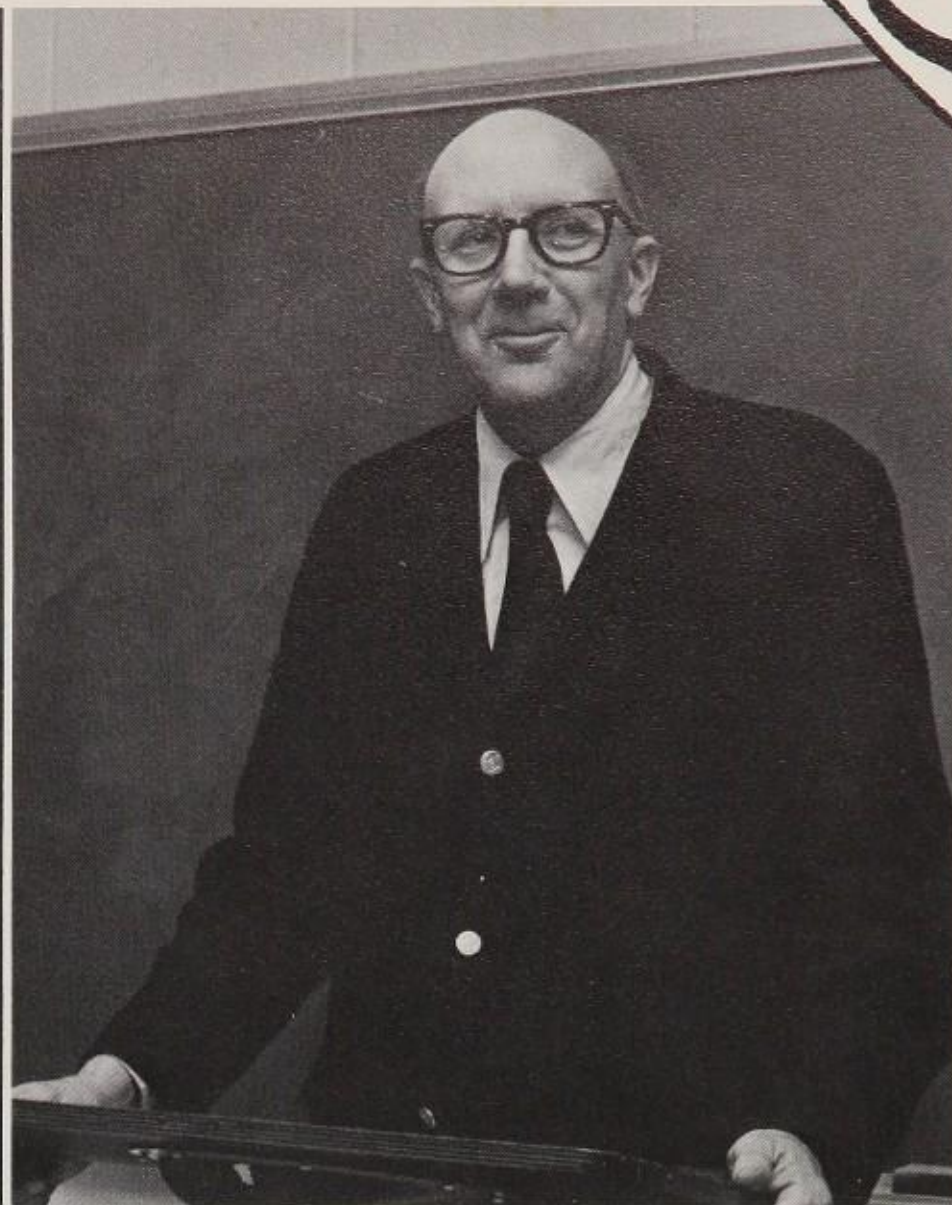

Since Mater Dei first opened its doors in 1964, George Hansen has dedicated himself to the students both during and after school as well as weekends. His devotion to the process of teaching, as well as Driver Education has immeasurably benefited the students of Mater Dei. When the seniors were asked to vote for a dedication, Mr. Hansen won hands down on the first ballot. Asked to describe their reasons for voting for him, such words as dedication, hard work, and most especially caring came up frequently. And so it is with heartfelt appreciation, gratitude and love that we, the Senior Class of 1977, dedicate our yearbook to Mr. George Hansen.

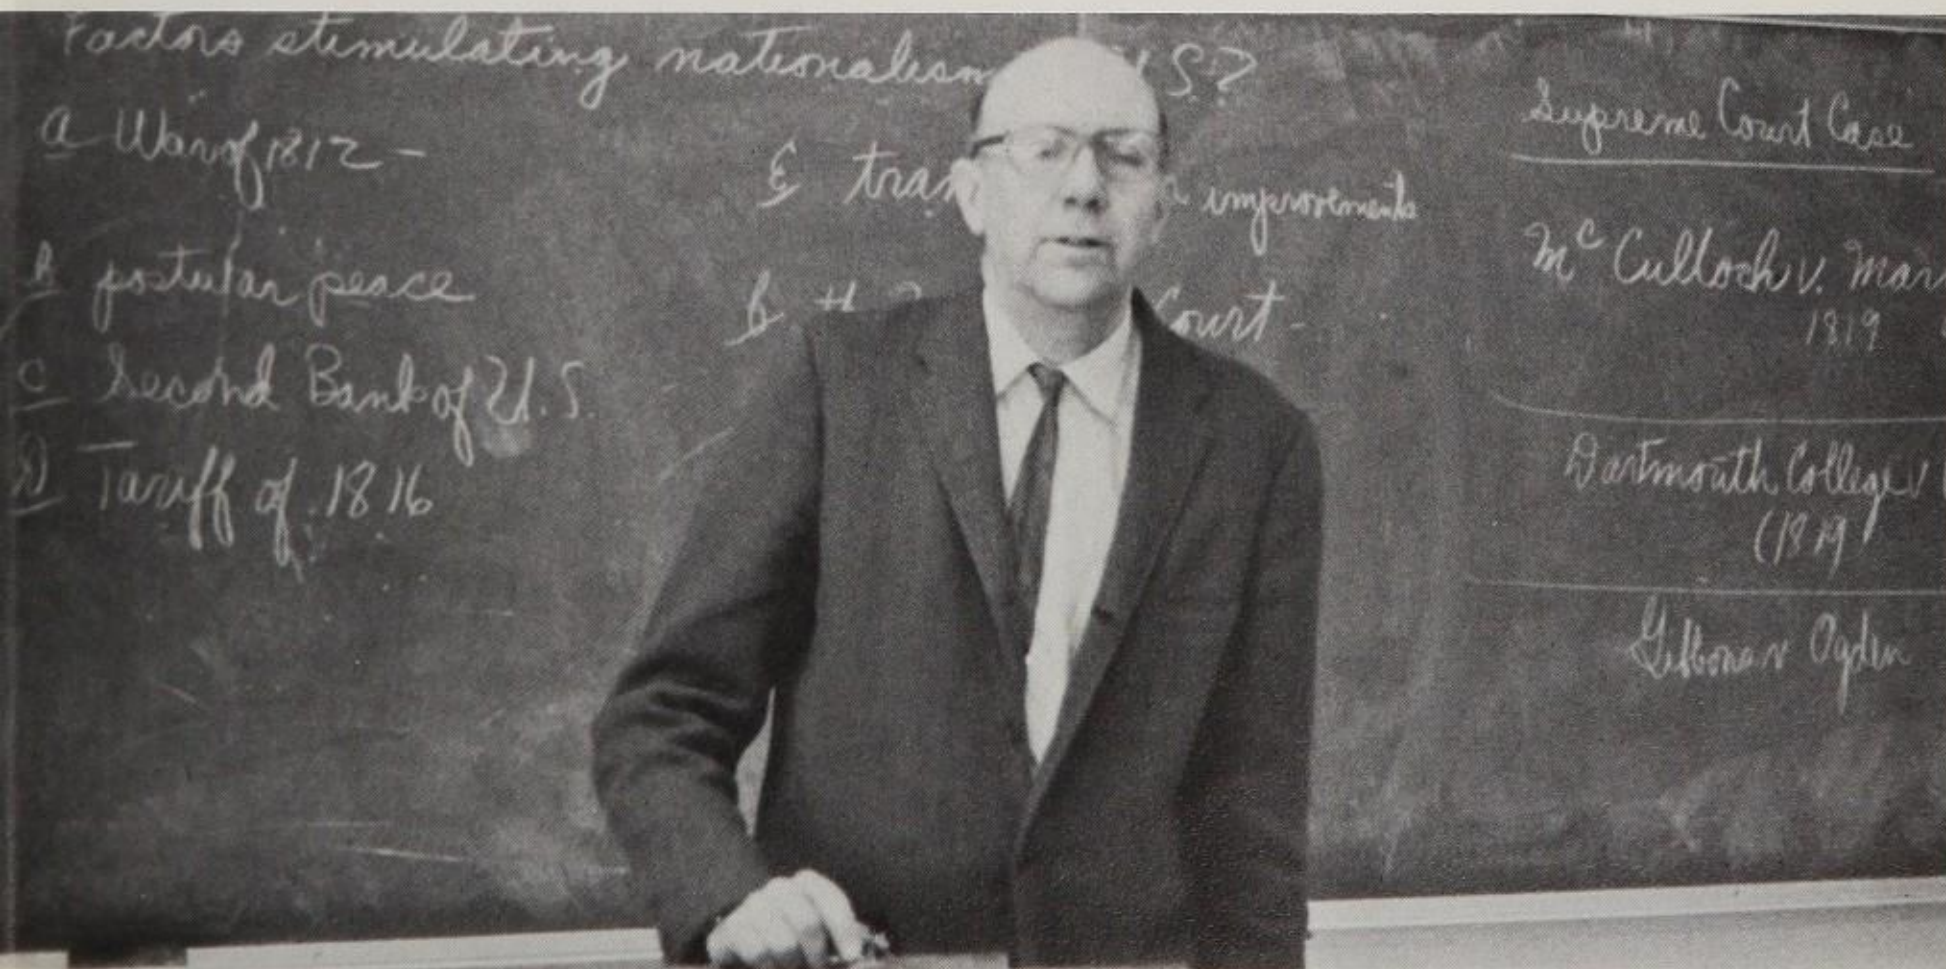

Mr. Hansen devotes countless hours to teaching the students proper driving skills, often on his own time.

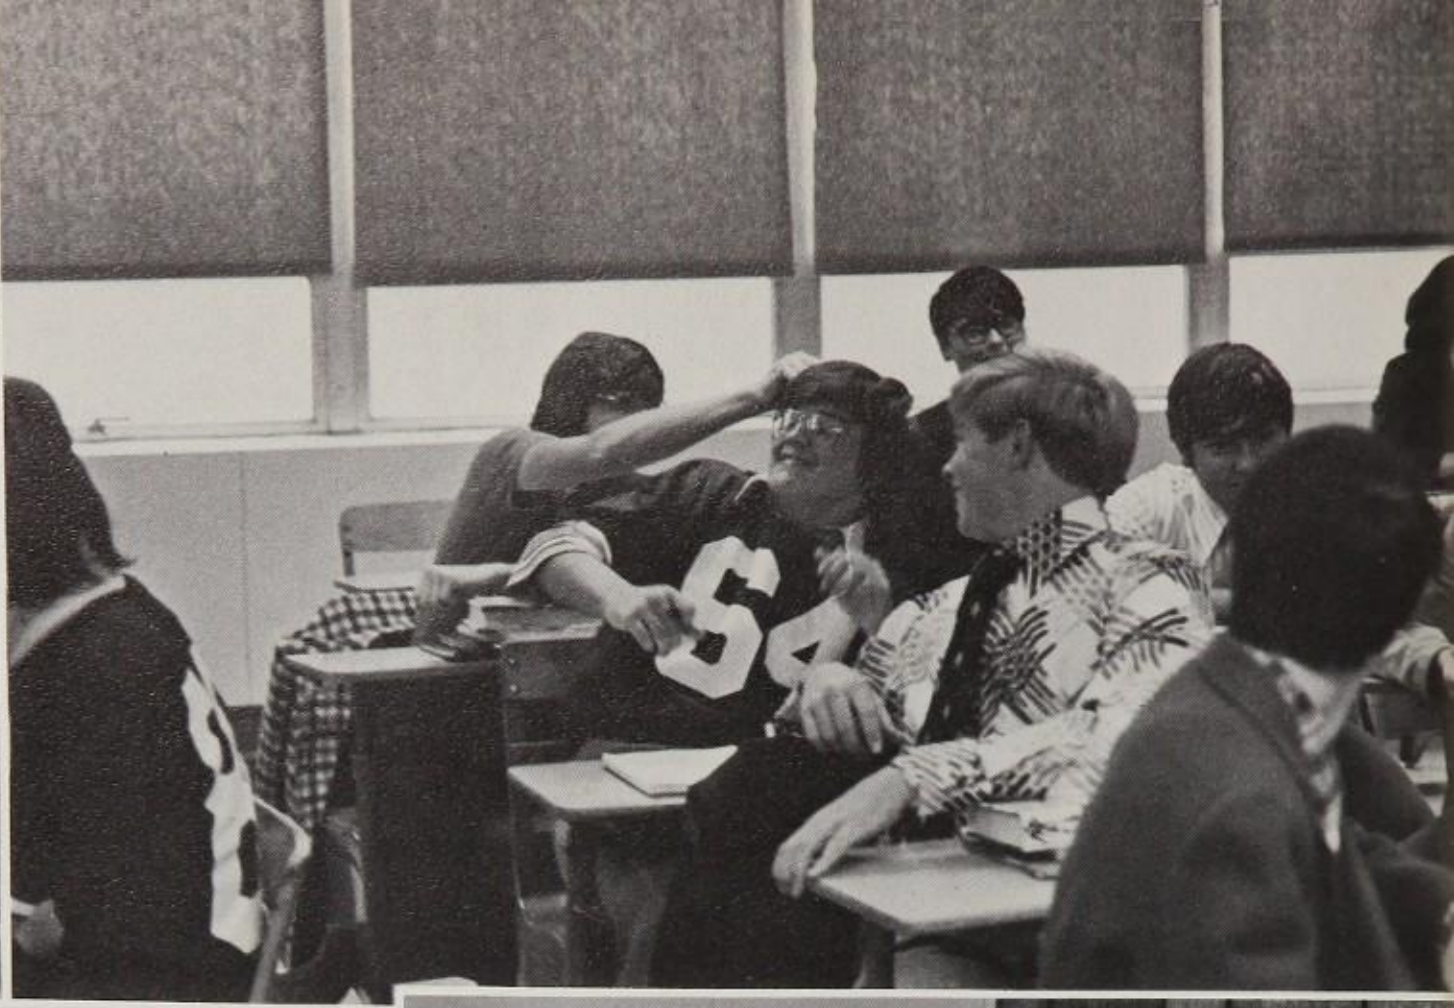

Mr. Hansen constantly exhibits a true spirit of caring for his students as well as acting as an example of Christian ideals.

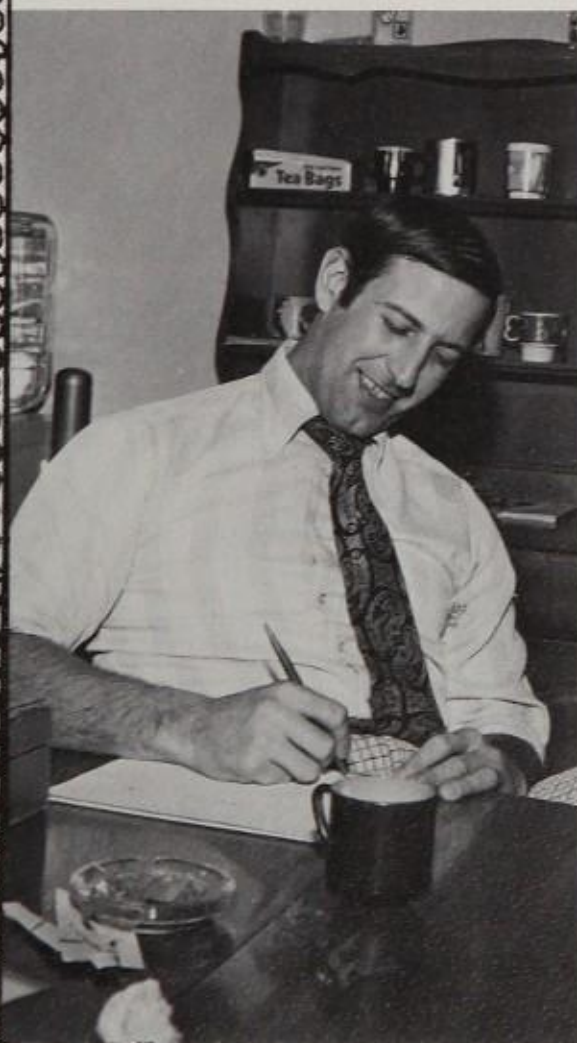

A smile and an amusing joke usually breaks the ice in his classes.

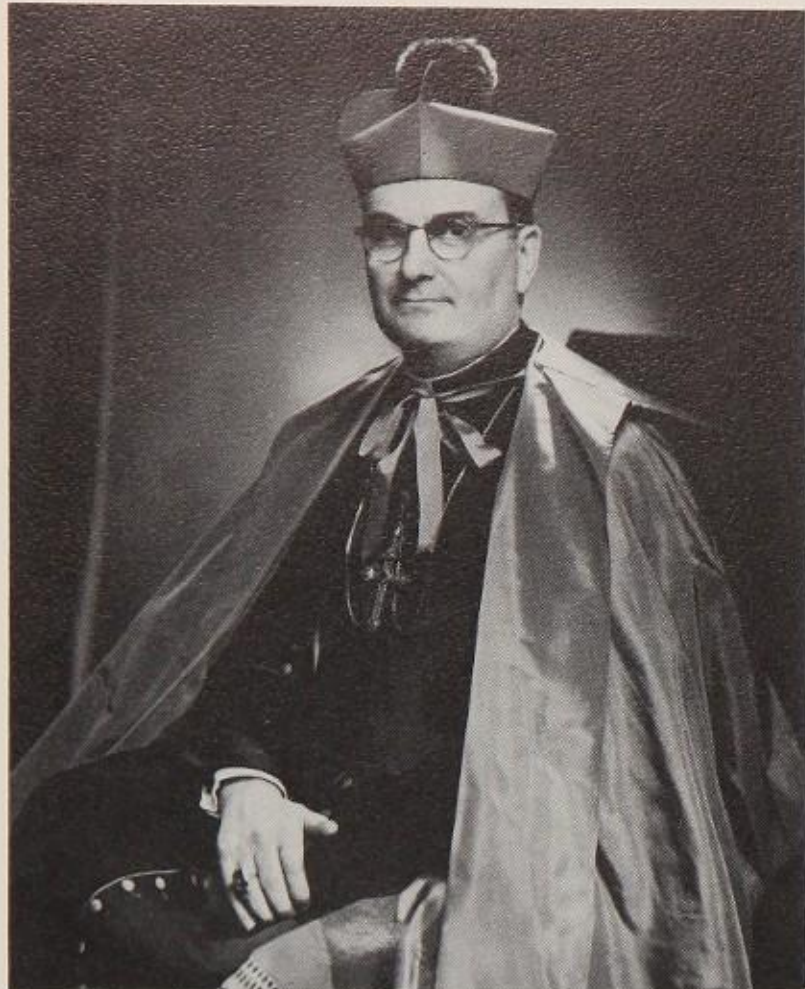

Mr. Hansen is a devoted teacher who gives completely of himself to all the students in his classes.

Although the five starters from the Girl's Basketball team left last year, the M.D. Seraphs continued their reign over the Shore Area squads. The team completed a 20-4 record this season. The girls proved that inexperience wasn't going to stop them. The consensus of many was that Mater Dei was rebuilding this year, but the girls proved all wrong. Next year all the stars, with the exception of Jeanne Dickinson, will return and again continue their dominance over other interscholastic squads of the area.

A Dedication

The student body of Mater Dei High School would like to express their heartfelt appreciation to a man who has devoted countless hours to their athletic program. As Athletic Director, Mr. Frank Outwater coordinated everything from track meets to night football games, and had the overwhelming responsibility for student safety and welfare. In September of this year, Mr. Outwater relinquished his post due to his many other duties as Assistant Principal and named Mr. Andrew Halek as his successor. We wish Mr. Halek the best of luck with his new position. To Mr. Outwater, we dedicate the sports section with much love and gratitude.

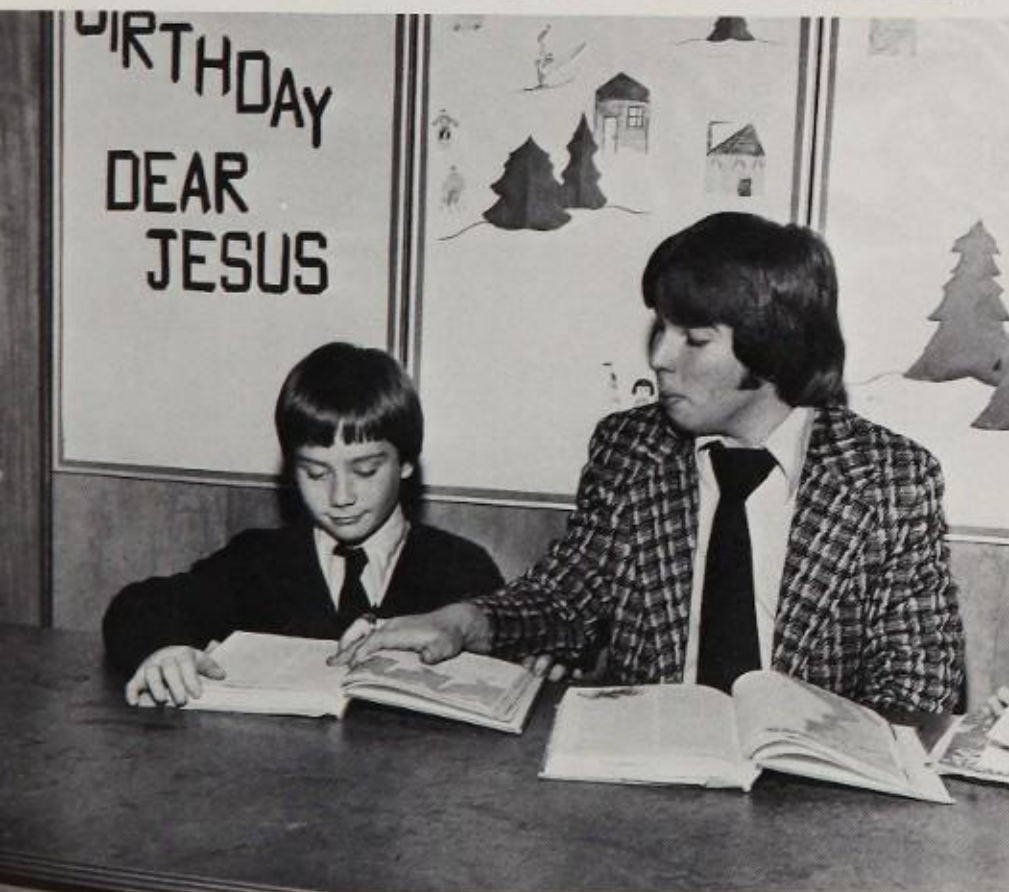

Thanks

The athletes of Mater Dei would like to extend a special thank you to the coaches, team doctors, Booster Club and last but not least to the fans, who made the '76-'77 sports season a success.

As we open the doors on new horizons, we begin our new lives with fond memories of Mater Dei. We will never forget them or the people that made them possible.

Some teachers played an important part in making our four years better, such as The Three Stooges (Mr. Eramian, Smith, and Stimpson), and The Odd Couple (Catfish and Mr. Morgan). And there was always Mr. Hansen (grab it), Daddy Dooger O'Donnell, Big Old Ruby Red Dress, and many others.

Through the halls rank some familiar phrases such as: "You must be high;" "Where's your head at?" and the never ending, "Where's your jacket?". And we will probably always remember, we are Santa's elves doodledoodletoo.

There are some special events which everyone will remember always. Dark Side of The Moon, snowball fights and blackouts in freshman hall. The mysterious music over the p.a. SAT's, Psat's - NMSQT's, ACT's, and NEDT's. Remember our surprise pep rallies, frisbees at lunch time, senior-faculty softball (14-8). And our final year brought us our "senior" ring ceremony, the barndance, coffee house, and the motorcade to St. John Vianney.

The very special students who made our years even better; Nicely Nicely Williams; The Roadapples of 217; The Quislings of 212, and Mulhern, our "weader". Of course, the Hot Box dancers make things a little bit more lively.

As we reflect, it is hard to forget the important places that we ventured together, among them are the Boatyard on Friday nights, Town 'n Surf, Hershey Park and Great Adventure. A day off would not be complete without a party at Pine Forest in Holmdel Park. And where would we be without Murray's Beach?

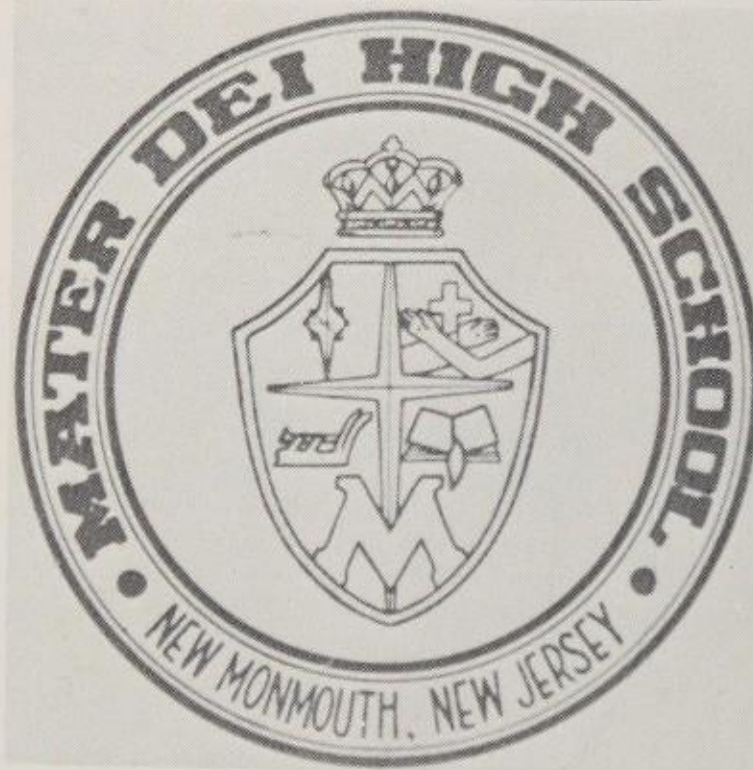

Some of our fondest memories lie in the Shore Casino, the still chemistry lab, and dissecting worms in biology. We'll never forget Ozzie, Artie or Uncle Fwank. Hall passes, Nurse passes, and the obsolete Powder Puff Football game.

All of our experiences lie deep within . . .

April 8, 1976 was certainly a great night for everyone at our junior prom. The Shore Casino provided us with some very happy memories of a night never to be forgotten. The evening was highlighted by the crowning of our queen, Cathy Cashin; and the introduction of our king, Jim Fleming; also introduced in the court were: Mary Dowens, Vinny Montesarchio, Janet Iamundo, David McCarthy, Patty Keogh, Pat Noone, Irene Ochse, Mike Otersen, Ann Radzwinowski, Bob Walker.

*Life so they say, is but a game
And they let it slip away.
Love, like the Autumn sun, should be dying,
But it's only just begun.
Like the twilight in the road up ahead,
They don't see just where we're goin',
And all the secrets in the universe,
Whisper in our ears, and all the years,
Will come and go and take us up, always up!
We may never pass this way again.*

*Dreams, so they say, are for the fools
And they let them drift away.
Peace, like the silent dove, should be flying,
But it's only just begun.
Like Columbus in the olden days,
We must gather all our courage,
Sail our ships out on the open sea,
Cast away our fears, and all the years,
Will come and go and take us up, always up!
We may never pass this way again.*

*I wanna laugh while the laughin's easy,
I wanna cry if it makes it worthwhile,
I may never pass this way again,
That's why I want it with you.
Cause you make me feel like I'm more than a friend,
Like I'm the journey and you're the journey's end.
I may never pass this way again,
That's why I want it with you.*

We may never pass this way again.
